

Assignment: Portfolio Plan

Overview: Chronicle the production process for creating your digital portfolio and personal brand identity (e.g., resume, cover letter, b.card). Describe elements that will be included. What needs to be designed, revised, edited? Timeline for completion. Students also are expected to keep an updated online journal of their work throughout the semester.

SAVE as a pdf and upload to box no later than 4 p.m. Thursday, February 4th. Be prepared to present and discuss your critique in class.
